Data Here-to-There

## Automotive Data Apps by Data Here-to-There

### Streamline Your Automotive Parts Sales

Our two cutting-edge apps are designed to connect automotive parts sellers with major warehouse distributors and parts catalogs.

Simplify inventory management and keep your store up-to-date with our **Slingshot Automotive app** and **Turn 14 Distribution app**, both available on the Shopify app store.

## Slingshot Automotive

**Create an online automotive parts desk with products sourced from your warehouse distributors.**

The Slingshot Automotive app is a convenient and powerful system for garage and shop owners to load, manage, and sell automotive parts from multiple distributors, manufacturers, and data catalogs. Pick the brands you love and set your filters to get exactly the right parts into your store. With the Slingshot Automotive app, you can:

- Automatic inventory and price synchronization
- Automatically adds new parts and removes discontinued parts
- Customize your titles, descriptions, and other product fields
- Filter by fitment and focus on European, JDM, American Muscle, Off-Road, etc
- Connect to these distributors and more:

## Key Features

- ★ Seamless integration with major distributors like Keystone Automotive, Motor State Distributing, Meyer Distributing, and SSF European
- ★ Real-time inventory updates
- ★ Easy-to-use interface for managing parts data
- ★ Customizable categorization systems tailored to your niche
- ★ Both apps are available on Shopify, while the Turn 14 Distribution app can also be found on BigCommerce

## Pricing

Billed monthly

<b>Free</b> -----	<b>\$0</b>	<b>Standard</b> ----	<b>\$109.99</b>
<b>Base</b> -----	<b>\$49</b>		Load products into your store automatically. Automatic stock and pricing updates. Connect YMM search tools.
<b>Solo</b> -----	<b>\$99</b>		Solo plans are best if you need live stock and pricing updates from a single distributor
<b>Solo+orders</b> -----	<b>\$149</b>	<b>Enhanced</b> ---	<b>\$164.99</b>
<b>Pro</b> -----	<b>\$199</b>		All of the Standard plan features plus: Unlimited order sync. Unlimited tracking sync. Includes live Turn 14 shipping rates at checkout
<b>Pro+orders</b> -----	<b>\$299</b>		Pro plans are best if you have multiple distributors and need to merge the pricing, stock and more

Save 10% with annual subscription

**Automate your aftermarket store using the Turn 14 Distribution App by DH2T.**

Now You Can Sell Turn 14 Distribution Parts From Your Shopify Store. The Turn 14 Distribution App is a super convenient way for Shopify store owners to load and manage their Turn 14 Distribution data right within Shopify! Select the brands you love and choose filters to get the right parts. The app loads aftermarket parts into your store and keeps them synchronized.

**How can you get started? It's simple!**

- ★ Install the app and select the brands you love. Aftermarket parts are loaded.
- ★ Critical MAP pricing, inventory levels, product data, and more are updated.
- ★ Import products by category and fitment, set pricing, and YMM search options.
