

Industry Leader in Fire Suppression
Since 1989

fireSense  **extreme** **fireSense⁺**

SPA Technique offers the most extensive range of fire suppression systems on the market. SPA is the only manufacturer that offers systems in all classifications for SFI and FIA. Add in hand held extinguishers and non-certified options, and our selection is unmatched.

SPA also offers 3 fire suppression agents, to meet any condition - **FireAde®**, **Novec™ 1230**, and **4Fire Universal®**
