

Adjustable Strap
Fits Most Sizes

Adjustable Nose Bridge
Provides Better Fit

3 Layer Protection
Moisture,
Droplet and
Stain Resistant

LAYER 1: Outermost fabric utilizes our proprietary non-toxic coating as a first barrier against particles.

LAYER 2: Middle fabric layer uses meltblown nonwoven fabric that reaches 99.9% BFE (Bacterial Filtration Efficiency)*

LAYER 3: Innermost mesh allows user to insert PM2.5 replaceable filters (two included) for the **ultimate 3 layer protection!**

FACE COVER

Serves as a barrier for the nose and mouth from airborne particles.

BREATHABLE

Mesh fabric allows comfortable airflow.

WASHABLE

Mesh fabric that is reusable for multiple uses.

COMFORT FIT

Soft mesh material contours securely around nose and chin.

DISCLAIMER: These facemasks are not a replacement for medical grade PPE. No warranties, either expressed or implied, that the mask prevents infection or transmission of viruses or diseases or airborne particles or is suitable for a particular use. We shall not be liable for use or misuse of masks, the decision to use masks is solely your own.

*BFE testing done by independent Nelson Labs in Salt Lake City Utah. Standard Test Protocol (STP0004 Rev 15) testing procedure final report with full BFE and Delta P results available on request.
