

CARGO INSURANCE

Cargo insurance custom built for the automotive aftermarket

Alliant is dedicated to the automotive aftermarket, and that means insuring your products both in the shop and in transit. Wherever your goods are destined, you can rest assured that you have a powerful layer of protection for the journey.

CARGO INSURANCE

Cargo Insurance from RevPro meets the needs of the aftermarket automotive industry that covers your products while in transit. This best-in-class policy is designed with the automotive aftermarket in mind and will cover your products on land, on sea, and all points along the way.

POWERFUL COVERAGE YOU CAN COUNT ON

Alliant works with an "A+" rated carrier and dedicated underwriters that understand the risk management dynamics of the automotive aftermarket industry. This translates into efficient underwriting and significant cost savings, all built into the automotive aftermarket's most powerful cargo insurance program. Coverage highlights include:

- Enhanced stock throughput coverage
- Automatic \$1 million in annual aggregate CAT perils (earthquake, wind, and flood), including California locations
- Automatic extra expense, exhibition, and trade show limit (\$50,000 each)
- International local policy placement
- All risk, warehouse to warehouse coverage
- War risk coverage
- Global capabilities
- Best-in-class claims and risk control services

A TRADITION OF INDUSTRY EXPERTISE

Alliant has been servicing the automotive aftermarket industry for more than 25 years; and as the endorsed insurance broker of the

Specialty Equipment Market Association (SEMA), you can rest assured your business is in capable hands. We service a broad variety of industry segments, including:

- Parts manufacturers
- Material suppliers
- Wholesale distributors
- Automotive restylers
