MUSTANG S550 DEEP STAGE DRAG RACE

SS4+ 2.0

Baer has added a **NEW SS4+** system to accommodate the **Fastest S550's** that are used in street/strip applications.

MORE ROBUST & STILL LIGHTER

- S4 4-piston caliper
- 12" x 1.10" slot only, directional rotor
- Increased diameter from 11.6" to 12"
- Increased thickness from .705" to 1.1" (front and rear)
- Slot only finish
- Still a direct bolt on, and still significantly less weight than the stock brakes
