

ChassisSim Customer WRT Racing wins the LMP2 Category of the 24 hours of LeMans 2021

August 25, 2021

A big shout out to ChassisSim customer WRT Racing for winning the LMP2 category of the 24 hours of LeMans 2021 run on August 21 - 22 2021.

“I’m absolutely overjoyed for the the team. When it comes to winning on the big stage it doesn’t get bigger then the 24 hours of LeMans. Well done to all the crew at WRT” - Danny Nowlan - Director, ChassisSim Technologies.
