New Easy Clip In Turn Buckle (ECI Turn Buckle)

This ECI Buckle Is Equipped at RCU-1100A Series

Easy Clip In Instructions

1. Fixed at Right Hand Side

1. To attach the right shoulder strap easily, place your left thumb on the raised locator and clip the belt in.
2. To attach the left shoulder strap, repeat the process using your right thumb on the raised locator and clip the belt in.
3. Clip the link for the left lap belt.
4. Clip the link for the sub strap.

2. Fixed at Left Hand Side

1. To attach the left shoulder strap easily, place your right thumb on the raised locator and clip the belt in.
2. To attach the right shoulder strap, repeat the process using your left thumb on the raised locator and clip the belt in.
3. Clip the link for the left lap belt.
4. Clip the link for the sub strap.

3. Fixed at Sub Strap

1. To attach the right shoulder strap easily, place your left thumb on the raised locator and clip the belt in.
2. To attach the left shoulder strap, repeat the process using your right thumb on the raised locator and clip the belt in.
3. Clip the link for the left lap belt strap.
4. Clip the link for the right lap belt strap.

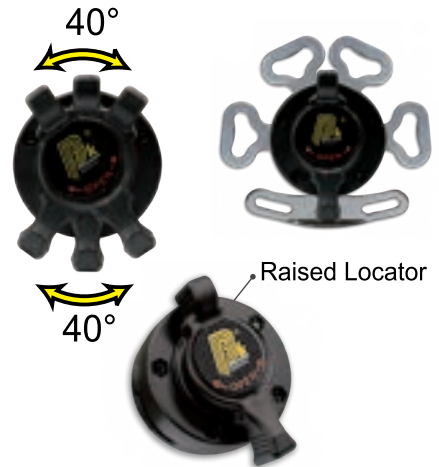

TB-09

DR(Dual Release) Buckle Ultrafast Dual Direction Release System.

Our new patented Dual Direction Release System, enables fast and easy buckle release. Buckle will now release when turned in either direction with far less effort required. The new raised locator, lever and buckles ergonomic design, ensures fast location and easy operation to release, without the need to look down in an emergency. We believe that this is the safest buckle ever designed.

Pre-release free movement at 40° measured on both sides of the closed position.

Meets FIA 8853-2016 Requirements

1. Right Hand Side

2. Left Hand Side

Seat Mount

FIA APPROVED

SSM-01

• SSM-01 Seat Mount Universal High-Pair

Product Details

Steel seat mounts 125mm tall specifications :

- Seat mounting slots center to center : 290mm
- Seat mounting hole size : one end 15L x 10H mm
other end 9mm diameter hole
- Finish : Black Epoxy
- Dimensions : 360L x 55W x 125H mm
- Weight : 2.5kg

SSM-02

• SSM-02 Seat Mount Universal Low-Pair

Product Details

Steel seat mounts 110mm tall specifications :

- Seat mounting slots center to center : 290mm
- Seat mounting slot size : one end 18L x 9H mm
- Finish : Black Epoxy
- Dimensions : 390L x 68W x 112H mm
- Weight : 1.72kg

SSM-03

• SSM-03 Seat Mount Universal High-Pair

Product Details

Steel seat mounts 160mm tall specifications :

- Seat mounting slots center to center : 290mm
- Seat mounting hole size : one end 18L x 9H mm
other end 15L x 9H mm
- Finish : Black Epoxy
- Dimensions : 360L x 58W x 160H mm
- Weight : 2.28kg

FIA APPROVED

MANUFACTURER: TRP Co., Ltd.
MODEL: SSM-04
HOM. NO: CS-013.23
FIA STANDARD: 8855-2021

SSM-04

• SSM-04 Seat Mount Universal High-Pair

Product Details

Steel seat mounts 245mm tall specifications :

- Seat mounting slots center to center : 290mm
- Seat mounting hole size : one end 26L x 13H mm
other end 19L x 13H mm
- Finish : Black Epoxy
- Dimensions : 469L x 40W x 245H mm
- Weight : 5.3kg
