

PAOLI WHEEL HUBS

DECADES OF INNOVATION AND EXPERIENCE.
INTRODUCING THE NEW DINO PAOLI WHEEL HUBS!

Thanks to years of experience in the production of motorsport wheel guns, sockets, and nuts, Dino Paoli S.R.L. is proud to announce the addition of wheel hubs to its product offering. This challenge reflects our commitment to innovation and excellence in the racing industry. The expansion of our manufacturing capabilities, the dedication of our workers and the knowledge gained over the years by our team of engineers alongside major racing teams has made us ready to take on any engineering challenge. Our team of engineers is ready to accommodate any request and work with you to meet your needs.
