MANUFACTURER OF SPECIAL CUSTOMIZED PROTECTED TANKS

- **SELF-SEALING, ANTI-EXPLOSION, ANTI-GRENADES, FIRE-RESISTANT.**
- **TAKE IN CHARGE** CONCEPT, DESIGN, CONTROLS, MANUFACTURING, ACCESSORIES, AFTER SALE CARE.

M.E.RIN manufactures safety fuel tanks since 1994

For more than 20 years, M.E.RIN has been manufacturing self-sealing, explosion-suppressant and flame-retardant fuel tanks using proprietary technologies developed for specific use in Automotive, Marine, Defence and Aviation industries. Among the years, M.E.RIN proudly provided ballistic fuel tanks for Presidential Limousines, Head of States, Popes and Security Force cars. Moreover, M.E.RIN fuel tanks have been used as safety equipment on bank's Armored cars, Military land vehicles, boats and aircraft too.

ONE SOLE RANGE OF PRODUCTS, FOUR MARKETS

MOTORSPORT

- FIA approved safety fuel tanks for Racing and Formula cars

AVIATION

- Certified aircrafts and helicopters
- Military
- UAV
- RUAS

MARINE

- Race boat
- Patrol boat
- Sailing boat
- Yachts

DEFENCE

- Full protected fuel tank:
- Self-Sealing
 - Anti-Explosion
 - Anti-grenade
 - Fire-Resistant

M.E.RIN TANKS ASSETS

A MULTIPLE EXPERIENCE AND KNOW-HOW FOR A MULTIPLE SITUATIONS ADAPTED TANKS

THANK'S TO M.E.RIN EXPERIENCE IN:

AVIATION

Weight Control, Crash resisting structures, rigorous respect of the specifications

RACING & FORMULA CARS

Safety Fuel tanks according to FIA specifications

BOATS

Fire resistance, lightweight solutions, Self-Sealing

DEFENCE AND LAND SYSTEMS

Concept of multiple protection:

- Self-Sealing
- Anti-Explosion
- Anti-Grenade
- Fire-Resistance
