

Who Works in Motorsports

2019 marks the 15th year of publication for Who Works in Motorsports. It's the only comprehensive "all in one" guide available to the world major motorsports championships and international series including:

DTM, Formula-e, Formula One, Formula Two, IndyCar Series, NASCAR Cup Series, Australian V8 Supercars, World Endurance Championship (WEC), World Rally Championship (WRC), World Rally Cross Championship, Weathertech Sportscar Championship (WSC), World Touring Car Cup (WTCC), etc.

Who Works in Motorsports has been enthusiastically received by race fans and motorsport professionals worldwide. For businesses and organisations it offers the opportunity to promote their involvement across a range of major championships and international series, worldwide.

Producing Who Works in Motorsports each year is a huge undertaking, the amount of detail and information is extensive: addresses, phone numbers, e-mail addresses, facebook, twitter, websites, key people, commercial and technical sponsors, suppliers, media, teams, cars, circuits, and series officials.
