

Insurance Solutions

Performance Plus offers a “Best in Class” all risk freight insurance solution for your products shipped across the country and around the world. PPLUS Insurance Solutions provides key components for the customer. PPLUS Insurance Solutions can take an unnecessary risk out of your day-to-day shipping concerns.

Services Include:

- Door-to-Door all risk insurance
- Coverage on purchases of both new and used commodities
- “All Risk” coverage so that the customer does not have to rely on the carrier’s liability
- Coverage for customized packaging and crating
- Coverage to pay for the additional costs of replacing time-sensitive products using expedited next-day delivery
- Options available for both domestic and International inbound and outbound insurance
